BABY WEATHER & OUTFITS

# Baby clothes checklist

How many in each size, gifts and hand-me-downs included. Counts for a wash every two or three days.

## Every day

- [ ] 6–8  sleepsuits — day and night in the first months
- [ ] 4–7  bodysuits — short and long sleeves together
- [ ] 4–5  light pants — once day clothes take over
- [ ] 4–6  pairs of thin socks — 2–3 with footed sleepsuits
- [ ] 2–3  light cardigans

## For sleep pick one, by how your baby sleeps

- [ ] 2–3  sleep bags — as warm as your room needs

or

- [ ] 3  swaddles — if you swaddle

## For cool days below 20°C (68°F)

- [ ] 1  thin fleece
- [ ] 1–2  light knit hats
- [ ] 1  light jacket — from about 6 months

## For cold days below 12°C (54°F)

- [ ] 1  pram suit (snowsuit) — or a warm jacket, one a winter
- [ ] 3–4  warm pants — with a warm jacket
- [ ] 3–4  pairs of warm socks
- [ ] 1–2  pairs of booties
- [ ] 1–2  pairs of mittens
- [ ] 1–2  warm winter hats

## For the sun from UV 3

- [ ] 1–2  sun hats — with a wide brim

## For the stroller

- [ ] 1  footmuff or blanket — for years, not per size
- [ ] 1  rain cover

In newborn size, buy only three or four sleepsuits and a few bodysuits, and keep the tags on until you know they fit.
